

Team Involvement in Demonstration

Date	02 July 2026
Team ID	
Project Name	OptiCrop: Smart Agricultural Production Optimization Engine
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the responsibilities and active participation of each team member during the OptiCrop project demonstration. Both members contributed equally to the development and presentation by explaining different modules of the system and demonstrating the implemented features.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Abdulkaleem Shaik	Project Presenter & Backend Developer	Project Introduction, Problem Statement, System Architecture, Flask Backend, Machine Learning Model	Explained the project objective, workflow, backend architecture, ML prediction process, and answered technical questions.	Active
2	Sai Charan	Frontend Developer & Demonstrator	Crop Recommendation, Crop Suitability Analysis, Deployment & Live Demo	Demonstrated the web application, explained user interface, showcased crop recommendation and suitability analysis, and presented the deployed application.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Abdulkaleem Shaik
Overall Team Coordination Rating (1–5)	5 / 5
Any Issues During Demo	Minor internet connectivity delay while opening the deployed application. No functional issues were observed during the demonstration.
How Issues Were Resolved	Refreshed the application and continued the demonstration using the deployed Vercel application. Both team members coordinated smoothly to ensure the presentation continued without interruption.
